

## Thank you for purchasing a gift voucher!

All lesson times can be found under [www.thekitesurfcentre.com/online-booking](http://www.thekitesurfcentre.com/online-booking). Here you can choose the course and it will show the available dates and start times.

Once you have selected the course type, you will be taken to a booking form. Simply select the course you wish to participate in and the number of people you wish to book for. You can then enter your voucher code to the right of the price. This will deduct the value of the voucher from the price. If you are topping up to a more expensive course, it will show you the remaining amount to pay.

If you have any problems or questions, you can contact us via email or phone:
